Chapter-

-2010 Calendar

- Gary and Rick
 - A vote was made to accept the calendar for 2010, with the exception of the Redwoods trip, which needed further discussion.
- There was a lengthy discussion about the 4th of July Jet Boat/Redwoods weekend trip.
 - There was a concern over a conflict with Washington's State Rally on the same weekend. Those chapter members that are also state officers (3 couples) are committed to go to Washington's rally.
 - The other concern was that the estimated cost for the 5-day trip was \$1,200-1,400. How many members would commit to the trip considering the cost?
 - It was decided that Gary will send out a survey to see who will commit to going on that trip on that weekend. A deposit will be needed soon to hold the jet boat reservations.
